**We convert
dream to reality, inspiration to art,
airlaid paper to fashion,
a simple table to a beautiful
bride...**

Everyday, your table is a work of art with La Plume.

La Plume, is the brand of high quality disposable table top materials produced from textile-like, easy to set, practical, decorative, hygienic AIRLAID material for people that would like to set glamorous tables for their guests and gain their admiration. With it's special touch and texture, La Plume offers various formats and numerous designs. La Plume is easy to use. There is no need for washing. It does not wear out.

La Plume has the convenience and costsaving aspects of a disposable paper napkin, whilst giving the look and feel of linen, without the high cost of laundry. The most desirable aspect is that La Plume can be printed and branded to customer specifications. We have conceptual models for special days such as: New Years Eve, Valentine's Day and Mother's Day.

Who Are We ?

We are ELHADEFLER Kağıtçılık Sanayi ve Ticaret A.Ş. We started business in 1941. We are a family company and one of the pioneer hygienic disposable Manufacturers of Turkey. Our 2500 sqm factory is in Yenibosna / Istanbul.

In 1985, the first locally made baby diapers, wet wipes, sanitary napkins and adult diapers in Turkey were manufactured in our machines. In 2011, we started to convert airlaid (linenlike) table top products with our brand "La Plume". We manufacture napkins, pocket napkins, runners, place mats, doilies, disposable baby bibs, towels, guest towels and cleaning wipes. Today "La Plume" is our main business and we work with most of the wellknown HO-RE-CA spots in Turkey and abroad.

manufactured according to the regulations of the European Parliament and Council dated 27.10.2004 in accordance with regulations given for the direct contact with food products. Our raw material is FSC certified.
